Summary

Abstract:	Fourth edition of the best-selling Cambridge English: First (FCE) course, updated to prepare for the 2015 revised exam. The Student's Book without answers contains fresh, updated texts and artwork that provide solid language development, lively class discussion and training in exam skills. The 24 topic-based units include examples from the Cambridge English Corpus to highlight common learner errors, while vocabulary sections informed by the English Vocabulary Profile ensure that students are learning the most useful language required at this level. A phrasal verb list provides a handy reference. The interactive CD-ROM provides comprehensive extra practice of the language and topics covered in the book. Class Audio CDs containing the recordings for the listening exercises are available separately.
